

FREE EVENING EVENT

Renewable Heat Incentive (RHI) Roadshow

Department
of Energy &
Climate Change

Install renewables, reduce energy bills & get cash incentive from Government scheme.

Did you know that on average, 75% of household energy bills are as a result of heating & hot water?

The Renewable Heat Incentive is a Government-backed scheme that pays participants to heat their homes with renewables.

Come along and find out how you can save.

Cumbria Rural Enterprise Agency

Redhills, Penrith, CA11 0DT

Wednesday 19th November 2014

6.30pm–9pm
