

# LITTER PICK

**24<sup>th</sup> March**

**10 a.m. Parish Rooms  
St Andrews Church Yard**

On 24<sup>th</sup> March a litter pick is being organised in Penrith to clear up the town in advance of the Easter holiday. The aim is to work alongside the Council and deep clean some hard to reach areas. Specific areas being targeted are St Andrews Church Yard, The Bus Station and car park and The Bluebell Car Park along with other problem areas identified in the week leading up to the 24<sup>th</sup>.

## Can you help?

The aim is to make the town visually attractive to both residents and tourists alike.

Thank you for your support.

There's litter all around us  
There's litter on the street  
There's litter in the bushes  
There's litter at your feet.

Pick that litter up  
Take it over there!  
I know you didn't drop it  
And I know that life's not fair

None of us like litter  
Though we liked what came inside  
Perhaps it's time to clean our act,  
Restore our sense of pride.
