

We invite you to  
visit our stall  
at the Penrith  
Mayday celebrations  
Monday 2<sup>nd</sup> May 2016

### "Plastic: Blessing or Curse?"

Appreciating the benefits, but concerned about the problems caused by plastic, our stall looks at what we can all do to ease the impact of plastic pollution, under the headings of:

Refuse - alternative ways when shopping

Re-use - finding a further use for your plastic 'rubbish'

Recycle - what and where locally

Re-think - finding alternatives to buying plastic items

Included in our displays are examples of non-plastic, fully compostable, disposable cups and containers from *Vegware*.

Also

- Make your own pot from newspaper and
- plant a seed to grow at home.
- How well can you score on our recycling quiz?
